RE: Telecom Services of the Low Country: Regulation Docket 103-607

The Honorable Jocelyn Boyd,

Telecom Services of the Low Country (TSLC) was notified on July 12, 2012 that our certificate of authority to provide local exchange services in the state of South Carolina is in jeopardy of being revoked. TSLC is submitting this letter as official testimony that it does not provide any local exchange services to residential customers in the state of South Carolina.

Pursuant to 26 S.C. Code Ann. Regs. 103-607 (Supp. 2011), as subject to the Commission's jurisdiction providing residential local exchange services, TSLC respectfully submits that the bond is not required because TSLC does not provide residential local exchange services.

TSLC pledges that it is in compliance with all decisions, directions, rules and regulations made or prescribed by the South Carolina Commission.

TSLC asks that this letter be entered as rule to show cause Public Convenience and Necessity as a provider of Telecommunications Services in the State of South Carolina should not be revoked.

If you have any further questions or require additional information please feel free to contact me directly at (843) 770-1000 ext. 223.

Respectfully,

Walter N. Gnann, Jr.
TSLC President
